1. They/You Need To Know They/You Belong Somewhere
2. They/You Need To Know They/You Have Something To Offer The Larger World
3. They/You Need To Know They/You Can Be Imperfect In Church.

Necessary Decisions:

Establish An Identity  
Form Sacred Friendships  
Make Peace With The Past  
Get Used To Conflict

**Experience Today's Message:**

Do you feel like you belong in a community? If so, which community? If not, what challenges from your past might be keeping you from identifying as a community member?

Do you or your family have a solid support system?

What is one thing mentioned today that you would like to improve on this summer?
