**Life Is...**To Trust God

**Hope** – A feeling of expectation and desire for a certain thing to happen.

**Faith** – Complete confidence in something or someone.

God never gave up on you and on me. He continues to chase after us. He made a way for each of us to experience His love for us. To be in relationship with Him.

**Experience Today's Message:**

1. What are you dealing with that you need help with?
2. In what ways can you actively display faith?
3. How does it change your life knowing that God is Who He claims to be and that He can do what He claims that He can do?

**Today's Music:**

Summer of 69 – Bryan Adams

Again And Again – Red Rocks Worship

No Longer Slaves – Jonathan David Helser
