Find Your People

Genesis 2:18 NIV, Acts 2:42-47 NIV

Create COMMITTED community

Committed to being devoted.

Committed to meeting together.

Committed to seeking God.

Ideas for creating community this week:

- Reach out to a friend who seems to be pulling away from you and or God. Take a moment to check in on them and let them know you are there for them.
- Ask a friend to pray together with you.
- Sign up for a small group at Church to find some new friends to do life with.
- Write down various names in the circles that we learned about and plan a get together with some of those you want to intentionally spend more time with.
- Invite someone over for dinner this week that you would like to connect more with.
- Ask someone you want to get closer with, "what has God been doing in your life recently"?
