

Connect – Sunday Services – Grow Your Faith

September 24th, 2023

There have been 3 key ministry environments of the church since its conception in Acts chapter 2.

1. There was the large group gathering – for Atlee it is our Weekend Services.
2. There were smaller gatherings throughout the week – here at Atlee we call them Small Groups.
3. There were teams that were formed to meet the needs of the people like in Acts 6 – here at Atlee we call them Ministry Teams.

The 3 primary connects we are trying to make during our Weekend services.

1. Connect People To God. Matthew 28:16-17
2. Connect God to People. Luke 1:8
3. Connect To God's Word. Hebrews 4:12; 2 Timothy 3:16&17

Experiencing Today's Message

Outside of the Bible what was one of the most powerful books you have ever read?
Why did you find it so powerful?

How have you found God's word, The Bible, to be useful in your life?

When have you ever intentionally drawn closer to God? Describe your experience?
